\* In case, Ph.D qualified faculty members requirement is not met for the proposed intake, then the proposed intake is reduced proportionately as per the Ph.D possessing faculty members.

# In case, the admitted intake is less than 25% of the JNTUH sanctioned intake in any of the applied courses in all the previous three years but the admitted intake is at least 10 or above in one of the previous three years, then such courses are considered for affiliation with a minimum intake of 60, provided they meet other requirements as per norms. However, the faculty requirement is calculated based on sanctioned intake only.

## Due to non- availability of Principal for the majority period during the Academic year 2018-19, the intake is reduced to 50% of the normal JNTUH sanctioned intake (subject to a maximum of 60) in the course having highest sanctioned intake and also having least admissions during previous Academic Years.

Further, the University is not inclined to grant affiliation for the remaining courses indicated in annexure due to any of the following reasons:

I) a. Principal/Faculty members deficiency such as

2. No Principal / Faculty - Student ratio is less than required as per the norms.
3. No Valid SCM.
4. Lack of identity proof of faculty member such as valid PAN Card/ Aadhaar Card of the faculty member (for the verification of faculty member particulars).
5. Lack of proof of payment of salary particulars for existing staff (Bank statement including TDS particulars).
6. Blacklisted/ Multiple registrations.

2. Lack of all supporting documents for laboratory equipment.
3. Non - Fulfilment of the additional laboratory requirement.

II) As per clause: 3.30 of affiliation regulations 2019-20.

III) No admission status in the courses due to no classwork going on / acute faculty shortage / lab equipment shortage during surprise inspection.

The above are essential for imparting Quality Technical Education.

This affiliation is granted based on the continuous availability of faculty members shown in A-419, any mobility of such faculty members should be as per due procedure & shall be informed to DUAAC on a monthly basis. In case it is found at any later / future point of time, that these faculty are not available, the Institution is liable for punitive action as per the affiliation regulations.

You are directed to install handheld biometric system and CC cameras to record staff (if not implemented BAS) and student attendance particulars and communicate to the University on a daily basis.

It is further stated, that the University reserves its right to make further re-inspection at any time for satisfaction of the existing essential academic requirements in particular with regard to Laboratory and Faculty members in your college. If the University is not satisfied regarding the essential requirements, the affiliation may be cancelled.

Your Technical Institution (Engineering/Pharmacy/MBA) filed an application to All India Council for Technical Education (AICTE) for grant of extension of approval for the Academic Year (AY) 2015-16, wherein, you have specified the courses for which approval is sought for including the particulars of availability of faculty, laboratory equipment etc. This application has been submitted to AICTE along with an affidavit affirming the particulars furnished in the application, on Non-Judicial Stamp paper.

On perusal of your application, the AICTE granted approval on the basis of self-disclosed required facilities and infrastructure of the College for the courses specified in Table-1 herein. On the basis of approval of AICTE, your college submitted an application to the University (JNTUH) for grant of affiliation for the courses specified in Table-2 herein. The University had inspected your College for verification of faculty and laboratory equipment and the University found deficiencies of faculty, laboratory equipment and accordingly affiliation was refused for the deficient courses.

Your College filed Writ Petition along with some other colleges questioning the action of the University in not granting the affiliation for the courses which were rejected affiliation. Against the order, the University filed Writ Appeal with the Division Bench of the Hon'ble High Court which has directed the AICTE to inspect the colleges once again for verification of faculty and laboratory equipment and constituted a Committee consisting of two nominees from AICTE and one from the University (hereinafter referred to "Committee"). But, however, your College has confined the inspection of the Committee to courses specified in Table-3 herein.

The Committee had inspected your College and submitted a report. On scrutiny of the said report, the University found the deficiencies specified in Table-4 herein.

In view of the deficiencies specified in Table-4 i.e., essential requirements for conducting courses, the University is granting / rejecting your application for affiliation of courses. The particulars set out in Table-1, 2, 3 & 4 may be read as part of this order.
