PROSPECTUS

Introduction and Overview

The **Sumathi Reddy Institute of Technology for Women (SRITW)**, founded by educationalist Sri A. Varada Reddy in 2009 under the Sri Rajeshwara Educational Society, aims to empower women in Science and Technology. It provides a supportive, student-centric environment with cutting-edge facilities, including modern labs, an amphitheater, conference rooms, smart classrooms, and campus-connected hostels. Located along the national highway, SRITW promotes excellence in teaching, research, and service, fostering students as innovators, leaders, and entrepreneurs in a green, tech-savvy campus environment.

BOARD OF MANAFEMENT

Sri A. Varada Reddy
Chairmen

Chairman's Message

Welcome to Sumathi Reddy Institute of Technology for Women (SRITW), an institution founded with a deep commitment to empowering women in Science and Technology. Our goal is to cultivate innovators, leaders, and entrepreneurs who will shape the future. At SRITW, we provide not only state-of-the-art facilities but also an environment that nurtures creativity, critical thinking, and practical knowledge. We strive to deliver education that aligns with global standards while promoting values of integrity, excellence, and social responsibility.

We believe that each student has unique potential, and we are dedicated to supporting their journey to success. We encourage our students to excel academically, pursue research, and develop a mindset that is ready for industry challenges. Through our focus on holistic development and world-class resources, SRITW aims to create a generation of empowered women who will make a positive impact on society.

Together, let us build a brighter future.

Professional Bodies & Students Clubs:

Professional bodies and student clubs are essential in engineering colleges as they bridge academic knowledge with real-world skills. These organizations offer students access to industry trends, certifications, and networking opportunities, enhancing career readiness. Through activities like technical workshops, hackathons, and conferences, students gain hands-on experience and insights into their chosen fields. Clubs also foster leadership, teamwork, and communication skills, helping students build confidence and a sense of community. Active

participation in such groups enriches students' learning experiences, shaping them into well-rounded, industry-ready professionals.

Professional Bodies:

- Institute of Electrical and Electronics Engineers (IEEE)
- Computer Society of India (CSI)

Student Clubs:

- Lalitha Kala Club
- Art and Craft Club
- Communication Club
- Coding Club
- Dance Club
- Fashion Club
- Sports Club
- NSS Club
- Agriculture Club
