TELANGANA ACADEMY FOR SKILL AND KNOWLEDGE
(Department of ITE & C, Government of Telangana)

Dear *Principal*

Greetings from TASK!

TASK is a non-profit organization created by the Government of Telangana for bringing synergy among institutions (Government, Private), Industry & Academia with an objective of offering quality human resources and services to the industry.

We partner with colleges to create a conducive environment for growth through faculty development, research pilots and help colleges provide quality education for the leaders of tomorrow with focused systematic Programmes, which help corporates gain access to a pool of trained graduates for suitable roles.

Initiatives from TASK are majorly focused around the concept of Employability Quotient that includes three key skill dimensions, personal, technical and organizational skills.

We appreciate and acknowledge your contribution to the student society in the State. We also congratulate your leadership in making your college one of the top ranking institutions in the region and in the nation.
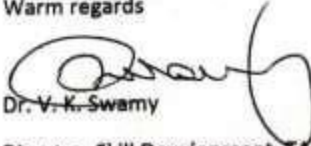

Hence, we invite you and your esteemed institution to be the part of this noble mission of preparing the students for employability, entrepreneurship and for higher education. TASK is the main interface between Institute and Industry through its various services in all the districts of Telangana, which are highly subsidized. These services are possible due to many MoUs that are signed between TASK (on behalf of the Government of Telangana) and the Industries.

We request you to register your college and your students under the category of star status so that all high end services are available at your door step.

In this regard the TASK team will approach you with all the details. Please extend your cooperation.

Thank you

Warm regards

Dr. V. K. Swamy
Director, Skill Development, TASK

Dear College Management

Thank You for making the payment towards TASK RENEWAL for the academic year 2019-20.

We are pleased to provide you with the following details:

Name of the College: SUMATHI REDDY INSTITUTE OF TECHNOLOGY FOR WOMEN

Amount in INR: 11925.32.00/-

Payment Date: 2019-05-17 10:02:37

Transaction Identification Number: 802507884 (Please quote this number for any queries relating to this request)

Payment Status: Success

Thank you.

Report on Patent Writing Essentials – One Week Workshop

Date: 4/11/2019-9/11/2019

Location: SRITW

Workshop Duration: 1 Week

Resource Person: **Ms. Vennala, Manager, TASK, Hyderabad**

Contact No: 7729897544

Participants: **35**

The "Patent Writing Essentials Workshop" was conducted with the aim of providing participants with a comprehensive understanding of the fundamental concepts and techniques involved in writing effective and legally sound patents. The workshop featured expert speakers from the field of intellectual property and patent law, who shared their insights and knowledge with attendees.

Date	Session 1 (10:00 AM to 12:30 PM)		Session 2 (1:30 PM to 4:00 PM)
4/11/2019	Introduction to Patents	**Lunch**	Patent Search and Prior Art
5/11/2019	Components of a Patent Application		Writing Patent Claims
6/11/2019	Drafting the Detailed Description		Importance of Drawings
7/11/2019	Patent Language and Terminology		Legal and Ethical Considerations
8/11/2019	Interactive Case Studies		Interactive Case Studies
9/11/2019	Q&A and Panel Discussion		Valedictory

1. Introduction to Patents: The workshop began with an overview of patents, their importance, and their role in protecting innovations.

2. Patent Search and Prior Art: This session focused on the significance of conducting thorough patent searches to identify existing similar inventions.

3. Components of a Patent Application: The participants were introduced to the essential elements of a patent application, including the title, abstract, background, detailed description, claims, and drawings.

4. Writing Patent Claims: This session delved into the art of writing patent claims, which define the scope of the invention's protection. Attendees learned about the different types of claims, such as independent and dependent claims, and how to draft them effectively.

5. Drafting the Detailed Description: Participants were guided through the process of writing the detailed description of the invention. The speakers highlighted the need for thorough and accurate explanations that enable someone skilled in the field to replicate the invention.

6. Importance of Drawings: The workshop covered the significance of patent drawings and their role in providing a visual representation of the invention. Attendees were given insights into creating high-quality drawings that complement the written description.

7. Patent Language and Terminology: This session focused on the specific language and terminology commonly used in patent applications. Attendees were provided with examples of appropriate vocabulary to use when describing different aspects of their inventions.

8. Legal and Ethical Considerations: The workshop also addressed legal and ethical considerations in patent writing. Speakers discussed issues such as inventorship, ownership, and disclosure requirements.

9. Interactive Case Studies: To reinforce the concepts covered, participants engaged in interactive case studies. They worked in groups to analyze and discuss sample patent applications, identifying strengths and areas for improvement.

10. Q&A and Panel Discussion: The workshop concluded with an open Q&A session where participants had the opportunity to ask questions to the expert speakers. A panel discussion provided deeper insights into some of the challenges faced during patent writing.

Key Takeaways:

- Understanding the importance of thorough patent searches to identify prior art.

- Clarity and precision are essential in all components of a patent application.

- Patent claims are crucial and should be drafted with care to define the scope of protection.

- The detailed description should enable a skilled person to replicate the invention accurately.
