SRITW conducted a program on '**Leadership Qualities**' Mr.Laxmi Narayana at SRITW Seminar Hall.

Leadership qualities are a set of characteristics, traits, and skills that are commonly associated with effective leaders. These qualities enable individuals to inspire, motivate, and guide others toward a common goal or vision. While leadership qualities can vary from one leader to another.

Effective leaders often possess a combination of these qualities, and they may develop and refine these skills over time. Leadership is a dynamic and evolving trait that can be nurtured and cultivated through experience, self-awareness, and continuous learning.

Objectives of the Program:

- To equip participants with the knowledge and skills needed to enhance their leadership qualities.
- Through a combination of presentations, interactive activities, group discussions, and self-reflection exercises, participants can gain a deeper understanding of leadership and its practical application in various contexts.

Outcomes:

The outcomes of developing leadership qualities can have a profound impact on both individuals and the organizations or communities they serve.

Here are some potential outcomes:

- Increased Confidence and Self-Efficacy
- Effective Communication Skills
- Conflict Resolution and Problem-Solving
