About the College

Sumathi Reddy Institute of Technology for Women (SRITW) was established in the year 2009 by the great educationalist Sri A. Varada Reddy Garu with a clear vision to empower women in the field of Science & Technology and transform those as Innovators, Leaders and Entrepreneurs.

SRITW is the one & only Women's Engineering College in India which established the NewGen Innovation Entrepreneurship Development Centre (NewGen IEDC), approved by the NSTEDB, DST, Government of India.

Objective:

This program is to provide participants with a comprehensive understanding of speech sounds, phonetics, and phonology. Participants will learn about the articulation and classification of different speech sounds, their importance in language development, and potential career paths in linguistics, speech therapy, teaching, and communication.

- To provide guidance and assistance for the students to achieve their career goals.
- To create awareness among students regarding available career options and help them in identifying their career objectives.
- To provide platform in assisting the college for enhancing the potential of the courses and improving job opportunities.

Program Outcomes:

- Understanding of Speech Sounds:
- Articulation Skills:
- Phonemic Awareness and Language Development:
- Integration of Phonetics in Teaching.
- Insight into Speech Therapy and Communication Disorders.
- Career Pathways.
- Inspiration and Motivation.

REPORT OF THE PROGRAM

A One day career guidance program has taken by Mohammed Jaffer, TASK Hyderabad on 24.09.2021

One day career guidance program has been conducted at SRITW, Warangal in association with Telangana Academy for Skill and Knowledge (TASK) by Mr. Mohammed Jaffer on “DIFFERENT SPEECH SOUNDS”.

The "Different Speech Sounds Training for Students" is a comprehensive program designed to enhance students' articulation and speech clarity. Through interactive exercises, speech therapy techniques, and phonetics instruction, students learn to produce various speech sounds accurately. The program addresses common articulation errors and provides tailored training to correct them.

Participants gain an understanding of the articulatory mechanisms involved in producing different speech sounds. They practice articulation drills and receive feedback to improve their pronunciation. The training covers consonant and vowel sounds, diphthongs, and blends, focusing on developing clear and intelligible speech.
