Participants: 96

The seminar on "Understanding Research Paradigms" was conducted with the aim of providing participants with a comprehensive understanding of various research paradigms, their significance in academic and scientific research, and how to select and apply the appropriate paradigm for a given research question.

Seminar delivered the following topics:

1. Introduction to Research Paradigms
2. Types of Research Paradigms
3. Selecting the Right Research Paradigm
4. Case Studies and Examples
5. Interactive Activities
6. Q&A Session
7. Conclusion and Takeaways

Seminar Highlights: The seminar successfully met its objectives by engaging participants in interactive discussions, group activities, and practical examples. Participants actively participated in discussions regarding the strengths, weaknesses, and philosophical underpinnings of different paradigms. The case studies and real-world examples provided a clearer understanding of how each paradigm influences research design, data collection, and interpretation.

Memorandum of Understanding

This memorandum of understanding is signed on 21.06.2019 between the following institutions:

- Talla Padmavathi College of Engineering, Warangal
- Sumathi Reddy Institute of Technology for Women, Warangal

This Memorandum of Understanding is proposed in order to promote cooperation in engineering education and promote the academic activities between Talla Padmavathi College of Engineering and Sumathi Reddy Institute of Technology for Women.

Types of Cooperation

Through this memorandum, both institutions affirm the values of collaboration and agree to promote the following activities:

- Organize workshops/events/Faculty Development Programmes.
- Opportunities for faculty and staff development and exchange.
- Other activities related to academics as mutually agreed.

This Agreement places no financial obligations or supplementary funding commitments on either institution. These activities will be defined through separate program agreements that detail the commitment of resources required by each institution. Subsequent program agreements must be approved in writing by the authorized representatives of each institution.

Terms

This Agreement will become effective upon the date of signature by both the institutions. It shall remain valid for a period of five (5) years from the date of the last signature, with understanding that it may be modified by written mutual consent of both the institutions. This Agreement may be terminated by either institution with advance written notice of at least thirty (30) days. The agreement may be extended by mutual consent of the two institutions after the five-year period, and it must be renewed in writing.

This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) remaining in the possession of each institution.

Report on Workshop on NAAC awareness programme on “Quality Assessment and Accreditation under Revised Accreditation Frame work”

Date: 23.08.2022

Venue: Seminar Hall

The coordinators, Mr. Vasam Srinivas and Mr. K. Ravi Kiran, welcomed Dr. R. Suresh Varma to start the workshop's discussion on NAAC assessment and accreditation under revised accreditation frame work.

- The speaker emphasized the importance to have NAAC accreditation, as it is a necessity to acquire funds from all funding agencies like RUSA, UGC and others.
- He explained the eligibility criteria to apply for Assessment & Accreditation process of NAAC and the following:
 - Registration Process
 - Online IIQA Submission
 - Preparation of Self Study Report
 - Data Validation and Verification process
 - Student Satisfaction Survey
- Along with emphasizing the value of strictly adhering to deadlines, he also discussed the necessity of reading relevant documents and visiting the NAAC website, dashboard, and Standard Operating Procedure often. SSR preparation must be prioritized because once it is submitted, it cannot be changed.

There was a question-answer session, where many questions were asked by many faculty for understanding NAAC process. The expert answered all the questions and helped the faculty.

Date: 17.06.2023

Venue: Vaagdevi College of Engineering

All the faculty of our college visited the research center established in Vaagdevi College of Engineering for the awareness of research initiatives, collaborations etc.

The Dean, Research Center explained the importance of research as:

It is a scientific and systematic investigation or inquiry especially through search for new facts in any branch of knowledge.

It is widely regarded as providing benefits to individuals and to local, regional, national, and international communities involved in the education system.

He explained the facilities providing by their research center to the scholars and the aspirants who are willing to pursue Ph.D. in their respective thrust areas.

All the faculty benefited by visiting this research center and got awareness on how the research should be done along with their academic responsibilities.

To
The Principal
Sumathi Reddy Institute of Technology for Women,
Ananthasagar, Hasanparthy,
Warangal-506371,
Telangana

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier II offered by Sumathi Reddy Institute of Technology for Women, Ananthasagar, Hasanparthy, Warangal-506371, Telangana.

Sir,

This is regarding Compliance Report submitted by **Sumathi Reddy Institute of Technology for Women, Ananthasagar, Hasanparthy, Warangal-506371, Telangana** for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2020-21 to 2022-23 whose validity of accreditation is expiring on 30.06.2023.

2. An Expert Team conducted data verification of the programs on **08th April, 2023**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-II June, 2015 Document	Accredited	Academic Years 2023-2024 to 2025-2026 i.e. upto 30-06-2026	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Computer Science & Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. **Sumathi Reddy Institute of Technology for Women, Ananthasagar, Hasanparthy, Warangal-506371, Telangana** should submit fresh online application through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Sumathi Reddy Institute of Technology for Women, Ananthasagar, Hasanparthy, Warangal-506371, Telangana** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Contd./...

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
